### Part III- Essay

Moll Law Group is committed to providing safety information to prevent further injuries and death. College students should submit an essay that provides safety information on the following topic:

**Fall 2017 - According to the National Quality Forum (NQF), "never events" are errors in medical care that are clearly identifiable, preventable, and serious in their consequences for patients, and that indicate a real problem in the safety and credibility of a health care facility. Examples of "never events" include surgery on the wrong body part; foreign body left in a patient after surgery; mismatched blood transfusion; major medication error; severe "pressure ulcer" acquired in the hospital; and preventable post-operative deaths. Please explain what you would do to reduce "never events" in a hospital or nursing home.**

## Scholarship Application Form

Essays must be 1,000 - 1,500 words and submitted in Word format via email to [scholarship@molllawgroup.com](mailto:scholarship@molllawgroup.com). Applicants are limited to one submission per contest.
